

WHODUNNIT – video

• Part 1

Clearly somebody in this room **murdered** Lord Smythe who at precisely **3:34** this afternoon was brutally bludgeoned to **death** with a blunt **instrument**.

I **want** each of you to **tell me** your whereabouts at precisely the **time** that this dastardly deed **took place**.

I was **polishing** the brass in the master **bedroom**.

I was **buttering** his Lordship's scones below stairs, sir.

I was **planting** my petunias in the potting shed.

Constable, **arrest** Lady Smythe.

But! But **how** did you **know**?

Madam, as any horticulturist will tell you, one does not plant **petunias** until **May** is out.

Take her away!

It's just a matter of **observation**.

• Part 2

The real **question** is how observant were you?

What happens? **There were 21 changes during the video / while the actors were playing the scene.**

• Part 3

Write down the last 3 lines of the video.

It's easy to miss something you're not looking for.

On a busy road this could be fatal.

Look out for cyclists.

The document is **an advertising campaign for London transports**. It's an awareness video for people to pay attention to cyclists on the road.
